## Terrapin Club

Terrapin Club boasts of being the only club at TF South that begins and ends the year with a big splash! The girls, who are able to perform basic swimming strokes, have the opportunity to learn new water ballet skills. Under the sponsorship of Mrs. Blackadder, they find time to "mess around" at the weekly meetings. The main activity of the year is the annual watershow a pageant of music, girls, color and a great deal of WATER.
