## Speech and Debate have a victorious '69.

Sixty-nine was a year of firsts for both Debate and Speech. Trophies added up as Rebels chalked up the victories and team spirit soared. At the SESC meet, South took all the trophies except one. This year, South has two state qualifiers. Senior Jerry Fritz went in original monologue and Sophomore Marilou Van Laningham went in original oration.

The Varsity Debate team of Chris Wiedman, Ron

Doeve, Jan Dillon, and Ron Schultz won great honors this year. An experienced team will return next year because only one of the four is graduating this spring.

For the first time, South had enough participants to have two speech teams. The Kunkas success is mainly attributed to hours of hard work. With a lot of under-class talent, they are looking for bigger and better years to come.
