

Movies, lectures, parties, and the most important activity in any club, the field trip, filled the year of TF South language clubs. Participation was excellent in all organizations and the members agreed that interest was exceptional. An epidemic of underground newspapers emerged overnight and stayed all year. The advent of the newspapers showed a new spirit of South students in their language clubs. The highlight of the year was the Christmas season when all the language clubs combined their efforts for the second annual International Christmas Party.
